What is Rotary?

Rotary offers an opportunity to build lifelong friendships and experience the personal fulfillment of providing volunteer service.

An organization of business and professional leaders, Rotary provides humanitarian service, encourages high ethical standards in all vocations, and builds goodwill and peace in the world.

The world's first service club, Rotary, began with the formation of the Rotary Club of Chicago, Illinois on February 23, 1905. The club was started by a young lawyer, Paul P. Harris, and three of his friends. They wished to recapture the friendly spirit they had felt among business people in the small towns in which they had lived. Their weekly meetings "rotated" among their offices, providing the new service club with its name.

Today, Rotary flourishes with some 33,000 clubs and 1.3 million people as club members in more than 200 countries, providing community service in virtually every nation in the world.

The Rotary 4-Way Test

The 4-Way Test is a simple but profound statement of things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
